Information is current as of July 2009. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Your valid Maryland Driver's License, MVA identification card number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, please indicate this in Block 6. The State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Maryland voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: Maryland allows you to receive the ballot by mail, fax, or email. Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 5: To vote in primary elections, you must enter your political party affiliation. If you want to vote for partisan contests in primary elections, you must affiliate with the Democratic or Republican party. If you affiliate with another political party or are unaffiliated, you are only entitled to vote in school board contests in primary elections. If you want to change your political party affiliation, submit a completed FPCA indicating your new party affiliation to the local election official no later than 84 days before the primary election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here. Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Maryland allows you to submit the FPCA by mail, fax or email if you are already registered. If you are not already registered, you must submit your FPCA by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.elections.state.md.us by clicking Local Boards of Elections under the About Us section. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

If you choose to email your FPCA, you should send the form as an attachment. You must also submit the FPCA by mail. Email directly to your local election office. Email addresses can be found at www.elections.state.md.us by clicking Local Boards of Elections under the About Us section.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Maryland's voter registration verification website at: http://www.mdelections.umd.edu/voter_registration.

Your jurisdiction will contact you regarding the status of your application.

Ballot Request by Proxy

A registered voter or the voter's authorized agent may apply in person for an absentee ballot at the local election office by the close of polls on election day.

The voter's authorized agent may pick up and deliver the absentee ballot and must (under penalty of perjury):

- be at least 18 years old
- not be a candidate on the voter's ballot
- be designated in writing and signed with the voter's original signature
- sign an affidavit

Voting Your Ballot

Local election officials send absentee ballots approximately 30 to 40 days before elections.

Voted ballots must be postmarked by election day and received by the local election office by 10 am on the second Friday after election day (or by 10 am on the second Wednesday after election day if voting in gubernatorial primary elections or in Baltimore City primary elections).

You must sign an oath stating your eligibility to vote by absentee ballot when you return a voted absentee ballot. No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Maryland allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in any election for local, State, and Federal offices. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: Maryland allows you to use this form for registration.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Blocks 2.f and 2.g: Enter your valid Maryland Driver's License, MVA identification card number, the last four digits of your Social Security number, OR your State voter registration number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your Maryland voting residence. A post office box is not sufficient. If your address includes a rural route, describe its

location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 5: Enter your political party affiliation or write unaffiliated or non-partisan. If you want to vote for partisan contests in primary elections, you must affiliate with the Democratic or Republican party. If you affiliated with another political party or are unaffiliated, you are only entitled to vote in school board contests in primary elections.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal, State, or local office in any election. To find out the races and candidates for which you can vote, go to www.elections.state.md.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

If using the FWAB simultaneously as a registration form and voted ballot, it must be received by the local election office by the registration deadline.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.
