Registering and Requesting Your Absentee Ballot

North Dakota does not have voter registration. You must still complete the FPCA to request an absentee ballot.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Block 2.g: Enter your North Dakota Driver's License OR State issued identification number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your North Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Complete address where you want your ballot sent, usually where you live now.

Block 4.c: North Dakota allows you to receive your absentee ballot by mail, fax, or email. Check how you would like to receive your absentee ballot. Provide your fax number or email address in Block 2. If you do not make a selection, then your local election official will mail your ballot to you.

Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the

next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

Block 7: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

North Dakota allows you to submit the FPCA by mail, fax, or email.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.nd.gov/sos/electvote/voting/index.html. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

If you choose to email your FPCA, you should send the form as an attachment. Email directly to your local election office. Email addresses can be found at www.nd.gov/sos/electvote/voting/index.html.

Follow-Up on Your FPCA

To find out the status of your absentee ballot request, contact your local election office. Contact information can be found at www.nd.gov/sos/electvote/voting/index.html.

Your jurisdiction will contact you if your application is denied.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may vote in Federal elections only in the county where a parent would be eligible to vote.

Voting Your Ballot

Local election officials send absentee ballots approximately 40 days before elections.

Voted ballots must be postmarked before election day and received by the local election office before the county canvassing board meets (usually 3 days after the election and up to 6 days after the election.)

No witness or notary is required on voted ballots.

You may return the voted ballot by mail, fax, or email. Use FPCA fax or email instructions under “How and Where to Submit Your FPCA.”

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

North Dakota allows you to use the Federal Write-In Absentee Ballot (FWAB) as a simultaneous absentee ballot request and ballot in general, special, and primary elections for local, State and Federal offices and measures. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1.a: Select the category that describes you.

Block 1.b: North Dakota does not require voter registration. Do not check this box.

Block 2.a: Name (Last, First, Middle)

Block 2.e: Date of Birth

Block 2.g: Enter your valid North Dakota Driver's License number OR State issued identification number.

Blocks 2.h through 2.j: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Blocks 3.a through 3.e: Complete street address of your North Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. This address must be within the county where you claim legal voting residence.

Block 4.a: Enter your current mailing address.

Block 6: Provide any information that may assist the local election official in accepting this ballot or application.

Block 7: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any local, State or Federal office or measure in a general, special, or primary election. To find out the races and candidates for which you can vote, go to www.nd.gov/sos/. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

If using the FWAB simultaneously as a ballot request form and voted ballot, it must be received by the local election office by the ballot request deadline.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted.

North Dakota allows you to submit the FWAB by mail, fax, or email.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, fax it directly to your local election official. Fax numbers can be found at www.nd.gov/sos/electvote/voting/index.html. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic

Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703)-693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

If you choose to email your FWAB, you should send it as an attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email addresses can be found at www.nd.gov/sos/electvote/voting/index.html. It is recommended that you also submit the FWAB by mail.
